

DRIVER SCHOOL & LAPPING DAY

AT BRAINERD INTERNATIONAL RACEWAY

JUNE 10, 2019

SEPTEMBER 16, 2019

Presented by

SUBURBAN CORVETTES OF MINNESOTA

Suburban Corvettes of Minnesota will have Two Driving School and Lapping Days at Brainerd International Raceway in 2019. These driving schools will provide you with the opportunity to develop your driving skills in the controlled environment of a closed circuit and then they can be used for normal street driving, autocrossing or racing. It's also a chance for the experienced racer to get lots of track time.

Whether the sun shines or it rains, the Driver School and Lapping goes on. If the sun shines, it is a great time to practice the racing line, braking points or just different corner entry or exit points. If it rains, you will really learn handling techniques for adverse conditions.

There is classroom and braking exercises for the beginner, novice or semi-experienced driver. It is your chance to learn the basics and also how your car reacts to driver inputs. Ride with instructors and see how they handle their car. The instructors will ride with you and work with you to be more confident while you drive your car. You should take full advantage of the opportunity to use these instructors and gain some of their knowledge.

We also have a Track Tour. Follow a pace car around the track for 45 minutes at hwy speed.

There will be a dinner on the Sunday evening before each event. It will be at Arrowood Lodge at Brainerd Lakes. The dinner will start at 6:30. No reservations are need.

June 10 will be run on the 3 mile Donnybrook Track.

Sept. 16 will be run on the 2.5 mile Competition Track.

Come join the EXCITEMENT of the long, fast straight away and the CHALLENGE of the Competition Track.
